

MFL Contract 2018-2019 School Year

1. Teams will be divided evenly and fairly. All games and activities are open to anyone who wishes to participate. Each recess, all students will line up against the south fence and count off by 2s (one, two, one, two...). There will be no team captains and teams will change for every recess. Jerseys are available to distinguish teams. If needed, the quarterback will be chosen through player cards or by the supervising adult.
2. Students will use the official MFL footballs provided by the school. Students will not use their own footballs from home. Football is played on the grass field only and within the boundaries of the playground. On the Field of Play, the first down starts at midfield. Teams have 5 downs/plays to make it to the goal line. The other team takes over at midfield if a touchdown is not made in 5 down/plays.
3. All contact during the game will be safe and friendly. Students will use two-hand touch for contact on the side of the body, never from the back or front (pushing). NO tackling, grabbing, or pulling of others or their clothing will be allowed. There is no rushing of the Quarterback.
4. All students must go through Orientation with the Principal/AP to learn the rules and expectations of football at Mitchell.
5. To solve problems, students will use "Rock It Out" (the same as learned in P.E. class). Students will speak to one another in a kind and respectful manner using Mitchell ROCKS as a guideline.
6. A player card will be kept by the supervising adults with the expectations. Any infractions will be noted and dated for reference & problem-solving. Students who complain/argue with the supervising adult will lose the privilege of play for the day*.

***Consequences:** *Players who are not following the rules will be removed from the game immediately and lose the privilege of football for one week. If a student is removed from the game a second time, he/she will lose the privilege of playing football for a month. Finally, if a student is removed from the game a third time, he/she will lose the privilege of playing football for the remainder of the school year. After each time he/she is removed, he/she will be reminded of the rules and have the opportunity to learn them again from the Principal/AP in the Office.*
