Mitchell Miler

Mitchell Elementary students will be participating in our annual "Mitchell Miler & Fun Run" on Friday, May 12th, 2023. The first race will begin at 12:45 pm (see start times & map at the end of the Friday Note). We are in need of several parent volunteers to help on race day. Please

Students should wear athletic shoes, bring water, and are encouraged to apply sunscreen prior to school. There are no furry friends allowed on campus during school hours, please leave pets at home. This is a great event in the Mitchell community, join us to cheer on all the kiddos as they run. Thank you for your continued support!

Sincerely, Lars Lundgren lars.lundgren@jeffco.k12.co.us

Nonprofit Corporation (ENC) sponsors the challenge each year. Her poem is linked for those who would like to read it. Way to go Anna!

Volunteer Appreciation

We love our Mitchell Volunteers! Please join us for coffee and baked goods on Tuesday, May 16th in the tech lab anytime between 8:30-1:30. This will be an open house for the

volunteers of our school to feel appreciated and connect with each other. We are so appreciative of the time and work you have put into classrooms and students this year!

MCAT Update

Thank you to all those who attended our final MCAT meeting of the school year. We had great attendance and appreciate all the ideas shared. Together, we created a thorough list of suggestions and recommendations to freshen up our Mitchell Elementary website. Over the summer, Ms. NG and the office staff will work to put those ideas into place. Hopefully, next school year, we will be greeted with a fresh, friendly website!

We look forward to next year and continuing to work together for the betterment of our students, staff, and families.

Better Together: A Celebration of Belonging

Share who you are and learn about others

Tuesday, May 9; 5-7PM @ Mitchell

Come learn and share as a community! Students have worked hard and are excited to share what they have created for this wonderful community event. This event -- an expansion of our previous Multicultural Night/Heritage Festival -- is an opportunity to highlight the different threads of our social identities that, when woven together, create a beautiful tapestry of connected community. We can't wait to see you there!

Garden Club at Recess

Volunteer for Recess Garden Club

The Recess Garden Club is up and running! Every Monday, Wednesday, and Friday through the end of the year, you can come help kids water their cold frame boxes (where we've planted spinach, mixed greens, and radishes), weed, read a Story Walk, dig for worms, and play in the dirt. And don't worry, a member of the Garden Team will be there to help guide you! Sign up here:

Looking for Summertime Garden Help

We need a bit of help to keep the garden growing over the summer--in a few weeks, some of the kiddos will be planting out the seedlings they started in their classrooms and the Recess Garden Club kids will be planting pumpkin seeds in the five uncovered boxes (in preparation for an Autumn Fest in October!). We need eleven Mitchell family groups to adopt one week of summer break each and visit the garden each day to water and weed (about 15-30 minutes). Sign up here:
