The Mitchell Friday Note is an important place to be sure you have the current information about what's happening in our school.

Continuation

5th graders will celebrate their Continuation to middle school on Thursday, May 25th at 5:00 PM. Our current plan is to hold the ceremony outdoors. We are carefully watching the weather and will transition the ceremony inside if needed. If the ceremony is outdoors, we ask that families leave their furry friends at home. We look forward to celebrating with our 5th graders and their families!

School's out for Summer! But that doesn't mean learning has to end. Summer is a great time to take knowledge and understanding to a whole new level and put theory into practice. This is especially true when it comes to social-emotional learning (SEL). Summer is the best time to put social and emotional skills to use and to figure out fun ways to incorporate them into your Summer fun.

Here are 7 SEL activities for you to integrate into your Summer!

School Garden Update

We managed to get quite a few kids out in the garden this spring--hopefully we'll get even more involved next year! This week, the kiddos planted jack-o-lantern and small sugar pumpkins in the raised beds on the west side of the garden. Eleven Mitchell families have each volunteered to take care of the garden for one week this summer--if all goes well, we'll have a pumpkin patch in the fall for our Autumn Garden festival in October! We will also be continuing the Recess Garden Club next year, as well as worm composting and Earth Day celebrations and much, much more! If you'd like to get involved with the Mitchell School Garden, please get in touch with Alexa Metrick at alexametrick@gmail.com
