Help out in the School Garden this spring!

Spend time in the school garden with the kids this spring! Each volunteer slot will have you teaching a short lesson to the kiddos before you help them do some work in the garden. Don't worry if you're not a gardener—we have lesson plans tailored to each grade, plus a script and all the materials you need for each lesson. Lessons include symbiotic relationships and soils, history and culture, and the water cycle and weather—so you can sign up to teach the classes that interest you. The first slot, from 11am to 12:30pm, covers recess for the 1st grade, kindergarten, and 3rd grade. The second slot, from 12pm to 1:30pm, covers recess for the 2nd, 5th, and 4th grades.
